

# WHY CHOOSE DONNA ISD?

## TAKE A LOOK!

## OUR HIGH SCHOOL CAMPUSES OFFER:

### Early College High School

 SOUTH TEXAS  
COLLEGE

We offer students the opportunity to earn 60 college hours or an associate's degree while earning their high school diploma.

Students are able to enroll in their first college classes as early as their spring semester of their freshman year at no cost to the students or parents.

## T-STEM

Through T-STEM, students have the opportunity to earn college credit as early as the second semester of their 9th grade year, allowing students to potentially graduate with an associate's degree.

## UT- ONRAMPS

Through OnRamps, we offer dual enrollment courses designed by the University of Texas at Austin faculty for high school students to engage in an authentic college experience.

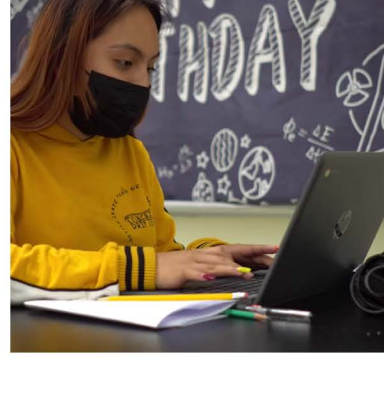

## TECHNOLOGY RESOURCES

### WE ARE EMPOWERING OUR COMMUNITY THROUGH TECHNOLOGY.

We purchased one-to-one devices for all our students and teachers.

We invested in hundreds of hotspots and a dozen WiFi towers that were installed strategically across the district to support students with little or no internet service.

## 38 CTE PROGRAMS

We offer 38 CTE programs at our high schools including several programs not available in other school districts like Real Estate, Commercial Driver's License (Class A/B) and Commercial Drone Pilot.

While partaking in these courses, students are eligible to earn one or more of the over 40 certificates or licenses offered.

## DUAL ENROLLMENT ACADEMIES

Students are guaranteed an associate's degree from South Texas College through the following dual enrollment academies in Mathematics, Medical Science, Engineering, Criminal Justice, Computer Science, Business Administration, Teaching and Pharmacy.

## EXTRACURRICULAR ACTIVITIES

Extracurricular activities are a vital element in any child's development, often building on lessons and learnings that begin during school hours.

We offer Athletics, Fine Arts, Theatre, Mariachi, Band, UIL Academy and ROTC and much more.

## SCHOOL CLUBS

We have available an array of Student Clubs that focus on academic subjects, hobbies/interests or making an impact in the community. Our campuses offer Book, Mexican American Studies, HOSA Academy, Student Council, Arts, and Spanish among other clubs.

Clubs provide students a channel for reinforcing lessons learned in the classroom and an opportunity to apply academic skills in a real-world setting resulting in a well-rounded education.
