

2021 Advanced Placement (AP) Exam Dates

The 2021 exam schedule provides three testing dates (Administrations 1, 2, and 3) for each subject between early May and mid-June. In an effort to increase exam participation and meet the needs of our Donna ISD students, our district will be offering a hybrid of paper and digital testing, with some students being able to test digitally from home for certain subjects.

- In Administration 1, all exams are paper and pencil*, administered in school.
- In Administration 2, half of the subjects are paper and pencil*, administered in school, and half are digital, administered in school or taken at home.
- In Administration 3, most subjects are digital, administered in school or taken at home.
