### Dental Network Information

To find a provider, visit [ameritas.com](http://ameritas.com) and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553. **Your provider network is Ameritas Classic and Plus Network.**

**In Texas, our network and plans are referred to as the Ameritas Dental Network.**

### Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

### Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

### Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

### Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at [ameritas.com/applications/group/estimator](http://ameritas.com/applications/group/estimator).

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

### Worldwide Support

If a member has a dental emergency outside the U.S., AXA Assistance can help. AXA provides credible provider referrals and can even help with making the appointment. Providers referred by AXA are not members of the Ameritas network. AXA contact information is available in the secure member account.

### Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

**This document is a highlight of plan benefits provided by Ameritas Life Insurance Corp. as selected by your employer. It is not a certificate of insurance and does not include exclusions and limitations. For exclusions and limitations, or a complete list of covered procedures, contact your benefits administrator.**

# Group Term Life Insurance

## Explore Your Benefits & Costs

Group Name: Donna Independent School District

Group Number: 729523

Class: All Full-Time Active Employees

### Get basic coverage at no cost

Your employer is providing basic Group Term Life Insurance to you at no cost to you. This means that if you pass away during the "term" (your employer's benefit year), beneficiaries will receive a benefit payment. Your coverage also includes Accidental Death & Dismemberment Insurance, which provides a benefit payment if you pass away or are severely injured in a covered accident.

The coverage being offered to you is:

Coverage Amount	
 <b>For you</b>	A flat amount of \$20,000

### Add supplemental coverage based on your needs

In addition to the basic coverage that's being provided at no cost to you, you have the opportunity to elect additional coverage when you enroll. You may also add supplemental Accidental Death & Dismemberment Insurance, which provides the insured person or their beneficiary a payment separate from the life insurance benefit if the insured person dies or is severely injured in a covered accident.

When you enroll, you'll have the opportunity to choose up to the following amount(s):

Not sure how much you need? Try the Life Insurance Calculator at [go.voya.com/lifecalc](http://go.voya.com/lifecalc) to learn more.

	Coverage Amount	Guaranteed Issue Limit
 <b>For you</b>	\$10,000 to a maximum of \$500,000 in \$10,000 increments, not to exceed 5 times basic annual salary	\$160,000 or 3 times your basic yearly earnings, whichever is less
 <b>Your spouse*</b>	\$5,000 to a maximum of \$250,000 in \$5,000 increments, not to exceed 100% of employee's Supplemental Life insurance amount	\$50,000
 <b>Your child(ren)*</b>	\$10,000	\$10,000

\*Spouse also includes domestic partners or civil union partners as defined by the group policy. Children up to age 26. If your spouse or child are eligible for coverage as an employee, they are not eligible for additional coverage as a spouse or child.

### Guaranteed-Issue Limit and Evidence of Insurability

The guaranteed-issue limit is the amount that's available to new hires without providing evidence of insurability (EOI). During this enrollment period employees will be allowed to increase by 1 increment (\$10,000) up to the Guaranteed Issue. To get coverage beyond this limit or add/increase coverage after this enrollment period, you'll need to complete the EOI form for all applicable family members. This form includes questions about current and past health conditions. The insurer may request additional information before approving or denying coverage. When evidence of insurability is required, the insurance company will need to approve it before coverage becomes effective.

# Accidental Death & Dismemberment Insurance

In addition, you may make a separate election for Accidental Death & Dismemberment Insurance. With this coverage, the insured person or their beneficiary will receive a benefit payment separate from their life insurance benefit payment if a covered accident leads to severe injuries or death. You may choose up to the following amount(s):

Coverage Amount	
 <b>For you</b>	Matches your in-force Supplemental Life insurance amount
 <b>Your spouse</b>	Matches your in-force Supplemental Life insurance amount
 <b>Your child(ren)</b>	Matches your in-force Supplemental Life insurance amount

## Age reductions

Benefit amount reduces to 65% of original coverage when the employee reaches age 60; 55% at age 65; 45% at age 70; and 35% at age 75. Premium amounts are also reduced accordingly, and automatically adjusted for the new benefit amount(s).

Please contact your human resources representative for more information regarding the requirements that must be satisfied for your insurance to become effective.

**Understanding Your Plan Design**

**Benefit Waiting Period** The benefit waiting period is the period of time that you must be continuously disabled before benefits become payable. Benefits are not payable during the benefit waiting period. The benefit waiting period options associated with your plan include:

<u>Accidental Injury</u>	<u>Other Disabilities</u>
0 days	7 days
14 days	14 days
30 days	30 days
60 days	60 days
90 days	90 days
180 days	180 days

**Own Occupation Definition of Disability** For the benefit waiting period and the first 24 months for which LTD benefits are paid, you are considered disabled when you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of your own occupation **AND** are suffering a loss of at least 20 percent of your indexed predisability earnings when working in your own occupation. You are not disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

**Any Occupation Definition of Disability** After the own occupation period of disability, you will be considered disabled if you are unable as a result of physical disease, injury, pregnancy or mental disorder to perform with reasonable continuity the material duties of any occupation.

**Deductible Income** Deductible income is income you receive or are eligible to receive while LTD benefits are payable. Deductible income includes, but is not limited to:

- Sick pay, annual or personal leave pay, severance pay or other forms of salary continuation (including donated amounts) paid
- Benefits under any workers' compensation law or similar law
- Amounts under unemployment compensation law
- Social Security disability or retirement benefits, including benefits for your spouse and children
- Disability benefits from any other group insurance
- Disability or retirement benefits under your employer's retirement plan
- Benefits under any state disability income benefit law or similar law
- Earnings or compensation included in predisability earnings which you receive or are eligible to receive while LTD benefits are payable
- Earnings from work activity while you are disabled, plus the earnings you could receive if you worked as much as your disability allows
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above

**Understanding Your Plan Design (Continued)****Maximum Benefit  
Period**

The maximum periods for which benefits are payable are shown in the tables below:

**OPTION 1 - Five Years for Sickness**

If you become disabled before age 61, LTD benefits may continue during disability for 5 years. If you become disabled at age 61 or older, the benefit duration is determined by your age when disability begins:

<b><u>Age</u></b>	<b><u>Maximum Benefit Period</u></b>
61	To age 65 or for 5 years, whichever is longer
62	3 years 6 months
63	3 years
64	2 years 6 months
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

**OPTION 1 - To Age 65 for Accident**

If you become disabled before age 62, LTD benefits may continue during disability until you reach age 65. If you become disabled at age 62 or older, the benefit duration is determined by your age when disability begins:

<b><u>Age</u></b>	<b><u>Maximum Benefit Period</u></b>
62	3 years 6 months
63	3 years
64	2 years 6 months
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

**OPTION 2 - To Age 65 for both Accident and Sickness**

If you become disabled before age 62, LTD benefits may continue during disability until you reach age 65. If you become disabled at age 62 or older, the benefit duration is determined by your age when disability begins:

<b><u>Age</u></b>	<b><u>Maximum Benefit Period</u></b>
62	3 years 6 months
63	3 years
64	2 years 6 months
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69+	1 year

**Benefit Calculation**
**Example**

You select the amount of your LTD benefit when you enroll for coverage in the plan. The dollar amount selected must be a multiple of \$100, from a minimum of \$200 to a maximum of the lesser of \$8,000 or 66 2/3 percent of your predisability earnings. This amount is then reduced by deductible income you receive, or are eligible to receive, while LTD benefits are payable. As an example, if your monthly predisability earnings are \$4,500, you may select any dollar amount (in \$100 increments) between \$200 and \$2,700 (66 2/3 percent of predisability earnings). In the example below, assume you elected the maximum benefit amount of \$2,700, and you now receive a monthly Social Security disability benefit of \$1,200 and a monthly retirement benefit of \$900. Your monthly LTD benefit would be calculated as follows:

Insured predisability earnings	\$4,500
Maximum benefit percentage	X 66 2/3%
Maximum benefit amount	\$3,000
Less Social Security disability benefit	-\$1,200
Less retirement benefit	-\$900
<b>Amount of LTD benefit</b>	<b>\$900</b>

**Additional Features**

Please see your human resources representative for additional information about the features and benefits below.

<b>24 Hour Coverage</b>	24-hour LTD plans provide coverage for disabilities occurring on or off the job.
<b>Rehabilitation Plan</b>	If you are participating in an approved Rehabilitation Plan, The Standard may include payment of some of the expenses you incur in connection with the plan including but not limited to: training and education expenses, family (child and elder) care expenses, job related expenses and job search expenses.
<b>Reasonable Accommodation Expense Benefit</b>	If your employer makes an approved work-site modification that enables you to return to work while disabled, The Standard will reimburse your employer up to a pre-approved amount for some or all of the cost of the modification.
<b>Rehabilitation Incentive Benefit</b>	If you agree to participate in a rehabilitation plan that prepares you to return to work (plan must be approved by The Standard), you may be eligible to receive an additional benefit equal to 10 percent of your predisability earnings. When added to any other amount you receive from The Standard, your total benefit cannot exceed the maximum benefit allowed by the policy.
<b>Employee Assistance Program</b>	Includes an Employee Assistance Program and WorkLife Services to offer support, guidance and resources to help you and your household members resolve personal issues.
<b>Survivors Benefit</b>	If you die while LTD benefits are payable, and on the date you die you have been continuously disabled for at least 180 days, a survivors benefit equal to three times your unreduced LTD benefit may be payable (any survivors benefit payable will first be applied to any overpayment of your claim due to The Standard).
<b>First Day Hospital Benefit</b>	If you are hospital confined for at least 4 hours during the benefit waiting period, the following will apply; the remainder of your benefit waiting period will be waived, LTD benefits will become payable on the first day you are hospital confined, and your maximum benefit period will begin on the date your LTD benefits are payable. You are eligible for this benefit only if your elected benefit waiting period is less than 45 days.
<b>Family Care Expense Benefit</b>	Applies when a disabled employee has returned to work and continues to receive LTD benefits. For 24 months, a portion of expenses (up to \$250 per dependent or \$500 per family, per month) is deducted from the amount of your work earnings.

**Rates**

Employees can select a monthly LTD benefit ranging from a minimum of \$200 to a maximum amount based on how much they earn. Referencing the appropriate attached charts, follow these steps to find the monthly cost for your desired level of monthly LTD benefit and benefit waiting period:

- Find the maximum LTD benefit by locating the amount of your earnings in either the annual earnings or Monthly Earnings column. The LTD benefit amount shown associated with these earnings is the maximum amount you can receive. If your earnings fall between two amounts, you must select the lower amount.
- Select the desired monthly LTD benefit between the minimum of \$200 and the determined maximum amount, making sure not to exceed the maximum for your earnings.
- In the same row, select the desired benefit waiting period to see the monthly cost for that selection.

If you have questions regarding how to determine your monthly LTD benefit, the benefit waiting period, or the premium payment of your desired benefit, please contact your human resources representative.

# A helping hand when you need it.

Rely on the support, guidance and resources of your Employee Assistance Program.

There are times in life when you might need a little help coping or figuring out what to do. Take advantage of the Employee Assistance Program,<sup>1</sup> which includes WorkLife Services and is available to you and your family in connection with your group insurance from Standard Insurance Company (The Standard). It's confidential — information will be released only with your permission or as required by law.

## Connection to Resources, Support and Guidance

You, your dependents (including children to age 26)<sup>2</sup> and all household members can contact the program's master's-level counselors 24/7. Reach out through the mobile EAP app or by phone, online, live chat, and email. You can get referrals to support groups, a network counselor, community resources or your health plan. If necessary, you'll be connected to emergency services.

Your program includes up to three counseling sessions per issue. Sessions can be done in person, on the phone, by video or text.

## EAP services can help with:

Depression, grief, loss and emotional well-being

Family, marital and other relationship issues

Life improvement and goal-setting

Addictions such as alcohol and drug abuse

Stress or anxiety with work or family

Financial and legal concerns

Identity theft and fraud resolution

Online will preparation and other legal documents

### Group Accident Insurance

Nobody plans to have an accident - and most people don't budget for one, either. Accident insurance helps your employees pay for out-of-pocket expenses medical insurance won't cover. If an employee's covered child gets injured while participating in an organized sport, we'll pay an additional 25 percent of the total benefit owed. It's an affordable way for employees to make sure they can keep their financial lives moving in the right direction.

## Save money with FSA pretax benefit accounts.

A Flexible Spending Account (FSA) puts more money in your pocket by reducing your taxable income when you contribute pretax dollars to pay for common expenses like these:

### HEALTHCARE

- Medical/dental office visit co-pays
- Dental/orthodontic care services
- Prescriptions, vaccinations, and OTC
- Eye exams; prescription glasses/lenses

### DEPENDENT CARE

- Daycare expenses
- Before & after school care
- Nanny/nursery school
- Elder care

#### TIPS

- Determine your elections based on your estimated out-of-pocket expenses for the year
- Your employer may offer other types of Benefit Accounts too; ask for details
- For a complete list of eligible expenses, see IRS Publications 502 & 503 at [irs.gov](https://www.irs.gov)

## Increase your take-home pay by reducing your taxable income.

Each \$1 you contribute to your FSA reduces your taxable income by \$1.  
With less tax taken, your take-home pay increases!

Consider this example:  
(For illustration only)

Richard has:

- Gross monthly pay of \$3,500
- \$600 per month in eligible expenses

Here is his net monthly take-home pay:

#### Without FSA

(\$600 spent using post-tax dollars)

**\$1,932**

#### With FSA

(\$600 spent using pretax dollars)

**\$2,098**

That's a net increase in take-home pay of **\$166 every month!**

# How to participate.

It's easy to start saving with an FSA.

Just follow 3 simple steps:

## 1. DECIDE how much you want to contribute for the upcoming plan year

The more you contribute, the lower your taxable income will be. In spite of this, it's important to be conservative when choosing your annual contribution based on your anticipated qualified expenses since:

- The money you contribute to your benefit account can only be used for eligible FSA expenses.
- Any unused FSA funds at the close of the plan year are not refundable to you. A grace period or carryover may be in place for your plan. Check with your employer for plan specifics.

### PLANNING TIPS

**START** by making a conservative estimate of how much you expect to spend on eligible out-of-pocket expenses for the year.

**COMPARE** your estimate to the IRS limits at [www.tasconline.com/benefits-limits](http://www.tasconline.com/benefits-limits).

If your estimate is higher than these annual contribution limits, consider making the maximum contribution allowed.

## 2. ENROLL by completing the enrollment process

Your contribution will be deducted in equal amounts from each paycheck, pretax, throughout the plan year.

Your total annual contribution to a **Healthcare FSA** will be available to you immediately at the start of the plan year. Alternatively, your **Dependent Care FSA** funds are only available as payroll contributions are made.

### SPECIAL FEATURES

**Identify Theft Protection:** All active participants receive TASC Identity Theft Protection.
