

2023-2024 P-TECH Work-Based Learning Experiences

Health Science

On 3/25/24, the P-TECH students in the Health Sciences pathway visited Texas A&M Tres Lagos campus. Thank you Mr. Rick Margo, Executive Director.

Education

On 3/28/24, the P-TECH students in the Education pathway visited the University of Texas Rio Grande Valley. Thank you Dr. Zulmaris Diaz, Director of Field Experiences.

Throughout the school year, these P-TECH students also gained valuable Worked-Based Learning experiences assisting elementary schools with events such as Parent meetings and in their ACE after school programs.

Law Enforcement

On 3/20/24, the P-TECH students in the Law Enforcement pathway attended the CRASE training and other law enforcement training through Donna Independent School District's Police Department and City of Donna Police Department. Thank you Chief Domingo Aguirre and Chief Gilbert Guerrero.

Throughout the school year, these P-TECH students also gained valuable Worked-Based Learning experiences assisting our Police Officers and Security Guards at several school events such as National Night Out, Fields of Faith, and several Athletic events.
