# Donna Independent School District M. Rivas Elementary 2022-2023 Campus Improvement Plan

# **Mission Statement**

#### Mission

M. Rivas Elementary and the community will educate all students to be self-motivated, responsible, trustworthy, and committed individuals who will lead and have a positive impact in our community.

La primaria M. Rivas y la comunidad educarán a todos los alumnos para que sean individuos auto-motivados, responsables, confiables y compreometidios que serán lideres y tendrán un impacto positivo en nuestra comunidad.

# Vision

#### Vision

M. Rivas students, staff, and community working together towards academic excellence.

Los alumnos, personal de M. Rivas y la comunidad trabajando juntos para alcanzar la excelencia académica.

## Value Statement

#### Core Values

If we believe all students can be successful and we want to accomplish our goals and be productive, then we should be:

#### Doing:

Positive Work Ethic, Reliable, Be Productive, Trustworthy, Honesty, Team Player/Work, Committed, Recognize Progress and Achievement

Seeing:

Student Centered, Collaborative Work, Student Driven Classrooms, Student Engagement, Intentional LEssons, Team Planning (on-going), Collaborative/Sharing Ideas, Individual Student Growth

#### **Valores Fundamentales**

Si creemos que todos los alumnos pueden tener exito y queremos lograr nuestros objectivos y ser productivos, entonces debemos ser:

Hacer

Tener etica de trabajo positiva, ser de confianza, ser productivo, ser condiable, ser honesto, ser jugador de equipo/de trabajo, ser comprometido, reconocer el progreso y el logro

#### Ver

Centrado en el alumno, trabajo colaborativo, aulas dirigidas por alumnos, participacion estudiantil, lecciones intencionales, planificacion de equipo (en curso), colaboracion/compartiendo ideas, crecimiento individual del alumno.

# **Comprehensive Needs Assessment**

### **Needs Assessment Overview**

Needs Assessment Overview Summary

### **Demographics**

#### **Demographics Summary**

Demographic data indicates a decrease in student enrollment over the past three years, leading to the closing of classrooms, and reassignment of teachers. Campus efforts need to continue being directed to high LEP and Bilingual population as this represents over 70% of the campus population. Additionally, an increase in identified Dyslexia and Migrant students on campus requires additional tutors to target these special populations and professional developments for all staff members on appropriate accommodations to help meet the individual needs of diverse student populations. Rivas is one of 13 elementary schools in Donna ISD. The student population is approximately 263 students in PK-3 through 5th grade. According to PEIMS data: 100% of the campus is Hispanic, 185 students are LEP, 251 students are Economically Disadvantage, 237 students are At Risk, 100% are Title 1, 53 students are homeless, and 30 students are Special Ed. The staff is comprised of 2 campus administrators, 1 counselor, 1 Librarian, 1 Community in Schools representative, 20 teachers, 12 educational aids, 1 secretary, 4 clerks, 2 custodians, 3 cafeteria workers, 1 ACE coordinator, and 1 security guard.

#### **Demographics Strengths**

- 100% of teachers are certified to teach their level of instruction
- Several teachers hold their masters degree
- Paraprofessionals are highly qualified
- Teachers are GT certified
- Most teachers are Bilingually Certified to assist with first year language acquisition and early-exit transition framework
- Life Skills and ECSE classes
- Full Day PK3 and PK4 classes
- Afterschool Program (ACE)
- · Activies monitoring of students in special programs

#### **Problem Statements Identifying Demographics Needs**

Problem Statement 1: Identified GT students are not provided with opportunities to work together in flexible groupings to use inquiry and discovery. Root Cause: GT student population was too low to build groups.

**Problem Statement 2:** Supplemental reading programs to assist identified Dyslexia students with reading difficulties are limited. **Root Cause:** In previous school years, there had not been any identified students with dyslexia, so these resources were not needed.

**Problem Statement 3:** Teachers are not prepared to meet the diverse individual needs that come with the high count of special education populations. **Root Cause:** Teachers are unaware of the instructional resources and support to meet the individual needs of special education populations.

### **Student Learning**

#### **Student Learning Summary**

After analyzing different data sources for the campus, it is evident that a variety of assessment tools are used to improve both teaching and student learning. Some examples of formative and summative assessments include: quizzes, tests, writing assignments, Amplify, Imagine Math, Istation, and STAAR for 3rd-5th grade students. Teachers differentiate assignments and provide students with hands-on learning activities. Teachers teacher in different settings: whole group, small group, and one-to-one. Students receive designated supports in the classroom to support their learning. The data also indicated after reviewing reading data for the campus, that students are lacking foundational skills and language development. Foundational skills refer to basic literacy, numeracy, and transferable skills, that are the building blocks for a life of learning. Students are lacking motivation, learning behaviors and social skills which disrupts daily learning. There is a need to integrate engaging, meaningful hands-on activities and technology lessons to create an effective 21st century classroom that meets the needs of the students.

#### **Student Learning Strengths**

- All students have 1:1 access to devices
- Teachers have or will complete Texas Reading Academy
- Teachers have a variety of resources to analyze student data.
- Teachers implement small group intervention/tutoring.
- Teachers keep track of student's time and progress.
- Explicit Direct Instruction strategies consistently implemented in every grade level provided differentiation.

#### Problem Statements Identifying Student Learning Needs

Problem Statement 1: Students are lacking foundational skills in math and language development. Root Cause: Lack of in person learning

Problem Statement 2: Supplemental reading programs to assist with foundational skills and language development. Root Cause: In the past school year, there has been a lack of motivation and communication skill development in online students.

### **School Processes & Programs**

#### School Processes & Programs Summary

The campus has a positive campus culture and climate. The staff works together to ensure our students are successful in their learning. With continuous collaboration and communication, the staff is focused on striving for a successful campus. A goal for the campus is to increase collaboration with parents so that we work together for the success of all our students. All staff members implement Explicit Direct Instruction which focuses on helping all students learn to their maximum capabilities. Teachers implement programs such as RtI, 504, and special education accommodations to ensure the students receive the needed support. Teachers use the district curriculum to plan their lessons and include designated supports, cooperative structures, writing connections, etc. Administrators conduct walkthroughs and provide feedback to teachers. Teachers set professional goals and add professional development based on those goals. It is the goal of the campus to maintain a safe and positive environment for students, staff, and community. Our findings indicated that more professional development opportunities and support for teacher assistants on effective instructional practices to help improve student achievement.

#### School Processes & Programs Strengths

1. Teachers are highly qualified and most are bilingual certified.

2. Teachers receive content professional development.

3.Staff is monitored by administration to ensure quality instruction and implementation of campus initiatives and/or professional development strategies.

4.Data-driven instruction is used for schedules and is updated as needed for student groupings based on needs.

5.Staff has the opportunity to voice any concerns.

#### Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Increase parental involvement Root Cause: Parents were no longer allowed on campus as districts placed restrictions due to Covid 19.

Problem Statement 2: Paraprofessionals need more content based training. Root Cause: First year paraprofessionals were hired in the 2021-2022 school year.

Problem Statement 3: Increase in teacher and student absenteeism. Root Cause: Students and teachers were exposed to Covid 19 and were required to be out until they were cleared to come back.

### Perceptions

#### **Perceptions Summary**

Based on the survey students and staff submitted, 97.2% feel the campus climate is safe and a good place to work. Safety procedures include the use of door entry system for visitors, Raptor system to check a visitors background, Nightlock system for classrooms, all classroom doors are locked and a magnet is located on the door jam that allows for classrooms to be secured by its removal, and cameras located around the campus. 91.9% of students and staff feel a sense of belonging and 94.6% feel respected on campus. Overall, the students and staff feel valued, respected and a sence of belonging. The campus has committees that allow staff, teachers, and parents to participate in for decision making: Language Profiency Assessment Committee, 504 Committee, RtI Committee, and Campus Level Planning and Advisory Committee. Communication with parents is a priorty at M. Rivas. Staff communicated with families through the use of Class Dojo, Blackboard Message, flyers, google classroom, and social media. Messages were sent in both English and Spanish to ensure all stakeholders understood the information. Some challenges our school faces is the need of having more student and teacher involvement in extracurricular activities and more parental involvement is needed.

#### **Perceptions Strengths**

- Students and teachers feel school is a safe environment.
- High expectations expected academically for both students and staff
- Minimal involvement in gang related activities
- Staff turnover is low or non-existent

#### **Problem Statements Identifying Perceptions Needs**

Problem Statement 1: Parental involvement is low Root Cause: There are not enough activities/events that parent and students can participate in

Problem Statement 2: More teacher and student involvement in extra curricular activities is needed Root Cause: There are not enough extracurricular activities offered to students

Problem Statement 3: Need training on technology offered to all staff Root Cause: Trainings are not offered to all staff (TA's)

**Priority Problem Statements** 

# **Comprehensive Needs Assessment Data Documentation**

The following data were used to verify the comprehensive needs assessment analysis:

#### **Improvement Planning Data**

- Campus goals
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data

#### Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain

#### **Student Data: Assessments**

- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Observation Survey results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
- Texas approved PreK 2nd grade assessment data
- · Texas approved Prekindergarten and Kindergarten assessment data
- State-developed online interim assessments

#### **Student Data: Student Groups**

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- · Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Section 504 data
- Gifted and talented data
- Response to Intervention (RtI) student achievement data

#### **Student Data: Behavior and Other Indicators**

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- School safety data
- Enrollment trends

#### **Employee Data**

- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- TTESS data
- T-PESS data

#### Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

#### Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Study of best practices

# Goals

#### Goal 1: Focus On Student Success

**Performance Objective 1:** 1.1 Create and promote engaging learning opportunities that focus on student needs and high-risk populations so that we meet the following goals by August of 2023:

\*2nd grade students that meet or exceed grade level proficiency on computer adaptive program for Math will increase from 21% to 31% \*2nd grade students that meet or exceed grade level proficiency on computer adaptive program for Reading will increase from 27% to 32% \*The percentage of students ready for 3rd grade will increase from \_\_% to \_\_%

#### HB3 Goal

Evaluation Data Sources: Instructional pulse checks, administration walkthroughs, state/local assessments

Strategy 1 Details	Reviews						
ategy 1: Maximize instructional time to ensure that teachers complete a daily lesson cycle, which includes: a direct		Formative			Formative		Summative
teach, guided practice, and an independent/applied practice (check for understanding).	Sept	Dec	Mar	June			
<ul> <li>Strategy's Expected Result/Impact: To ensure that instructional time is safeguarded, 100% of instructional programs, resources, and partnerships will be evaluated using a Comprehensive Academic Program Evaluation Rubric by June 2022. Based on the findings, programs will be prioritized, modified, or discontinued. The percent of teachers completing a lesson cycle each day will increase from% to 100% by September 30, 2022.</li> <li>Staff Responsible for Monitoring: Campus administration</li> <li>TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 5: Effective Instruction - Results Driven Accountability</li> </ul>							

Strategy 2 Details		Reviews		
Strategy 2: Increase the amount of explicit instruction in every classroom through the use of: visual stimuli, academic		Formative		Summative
vocabulary, processing tools, total response signals, manipulatives, authentic texts, hands-on experiences, and quality questioning.	Sept Dec Mar			June
<b>Strategy's Expected Result/Impact:</b> Increase teacher proficiency in academic vocabulary instruction from% to%, the use of visual stimuli from% to% and utilization of processing tools from% to% by the end of the 2023 school year based on explicit instruction pulse checks (walkthrough tool) and other classroom observations.
